

Save Smart. Save with Summit.

We're installing natural gas distribution lines in your area in 2014. If your home is located along these lines, your savings are just a phone call away.

Supporting
Maine's
Businesses!

- One of our professional sales representatives will provide a **FREE FUEL COMPARATIVE ANALYSIS** to show you how much you could save. Most people are likely to save between 30 – 50% on their annual heating bills.
- We will provide you with several different financing options and some **amazing rebate offers up to \$1,500!**
- We are working with Efficiency Maine whose vendors will conduct a **FREE HOME ENERGY AUDIT**. This will include 6 hours of insulation and caulking to button up your home.
- You will **no longer be dependent on oil** from the Middle East—we get our supply from North America.
- We are creating a **32-mile steel pipeline** through Cumberland, Falmouth, and Yarmouth which will help more local residents and businesses save money.
- Our project **creates 400 construction jobs in Maine, ranging from engineering, pipeline and administrative positions.**
- Upwards of **\$75 million in conversion and installation work** will be performed by Maine plumbing and heating professionals
