

## Summit Natural Gas of Maine and LIHEAP

The Low Income Home Energy Assistance Program (commonly called LIHEAP or HEAP) provides money to low income homeowners and renters to help pay heating costs. The amount of assistance you may get from LIHEAP is based on your household size and income, energy costs, and other factors. If your heat is included in your rent, you may still apply for LIHEAP.

Applications for LIHEAP are accepted from August 15 through April 30 of each year.

For more information or to apply, contact your local Community Action Program (CAP) agency at [www.mainehousing.org/programs-services/energy](http://www.mainehousing.org/programs-services/energy).

Qualifying Conversion Costs	Maximum Incentive	Maximum % of conversion costs rebated
Conversion of qualifying equipment not otherwise listed below	\$1,000	100%
