

ADDENDEM  
To  
TFHOA ANNUAL MEETING MINUTES  
9-15-2014

Due to an oversight in preparation for the annual meeting, it was not reported that the director's position held by Josh Cushman was also up for re-election. Josh does not wish to continue in that position and so we now have three open positions on the Board of Directors.

The TFHOA By-laws require at least 3 directors. We will continue this year as four directors unless someone comes forward that would like to serve on the board. The Board is allowed to appoint directors where there are vacancies .

The Board would like to thank Josh Cushman for his many years of service and his continued support in our endeavors.

Respectfully submitted,  
Elizabeth A. (Betty) Andrews  
Secretary
